

5 Easy Steps

to Bite Back on Overspending

1

AQUIRE SMART BITE WALLET

The most important step, acquiring our revolutionary wallet. Order it online form our website or from your nearby superstore.

2

SET CUSTOM SPENDING LIMIT

After getting the wallet and downloading the accompanying app, connect the two and set your daily spending limit.

Set Daily
Limit

\$50

3

MAKE PURCHASES LIKE NORMAL

Go about your everyday life, making purchases as you need, knowing that your spending habits are soon to improve.

4

GET BITTEN IF OVERSPENDING

If you start going past your daily limit, the wallet activates, giving small bites then encourage you to halt further spending.

5

BREAK OLD OVERSPENDING HABBITS

As time progresses, you'll develop better spending habits and stop stressing about overspending.
