

Draws of The Drawbed

Hi5 Industries

Have you ever, in your life, had trouble getting up or going to bed? ⅓ of Americans over 18 do daily!

The Drawbed is an innovative bed design that integrates sleep science into every facet of its design. You'll never have to worry about sleep again.

Created by Llisole from Noun Project

Let's take a look at some of its features!!

Safely raises you out of bed in the morning so you have no choice but to wake up

Created by Cuan Studio from Noun Project

Includes an optional digital pet - sleep to keep it happy!

Created by Aki Arvola from Noun Project

Features a phone-lock system that requires you to store your phone away for the bed to lower

Created by Ibram Hamadi from Noun Project

Comes with a companion app to sync your morning alarms and screentime limits with your sleep cycle

Created by Good Wife from Noun Project
