

Campus Compass

DON'T GET LOST
USE CAMPUS COMPASS

Perfect for college navigation

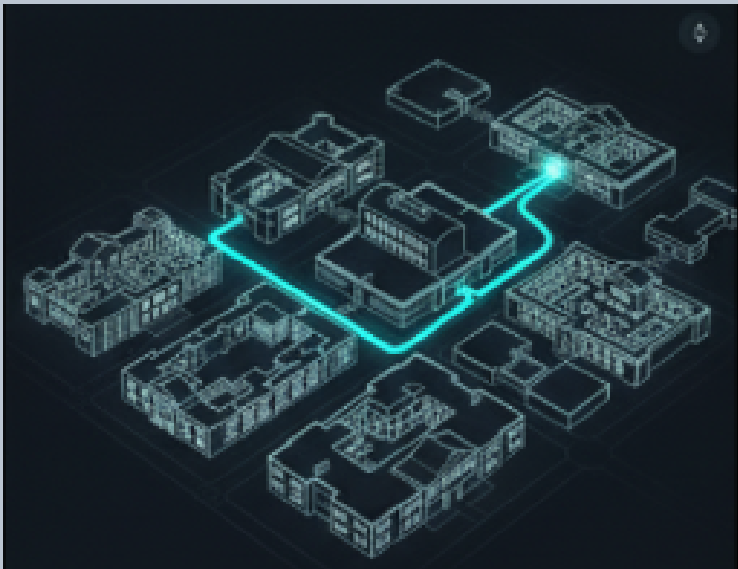

GETTING LOST

68%

Of first year students who report getting lost on campus in the first month

3D MAPPING

Get a clear picture of your route

CONVENIENCE

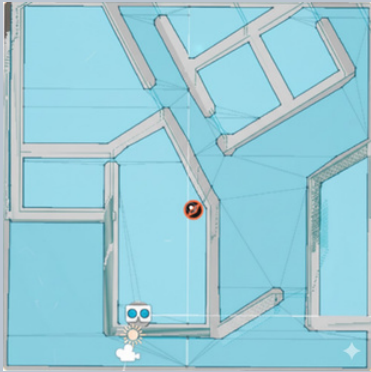

Students are rarely without a cellphone, making it the perfect place for their campus map

DISORIENTATION CAUSES SKIPPING

Disoriented students are 34% more likely to skip optional events in their first semester

Created by Thomas Deckert from Noun Project

AUGMENTED REALITY

Use real-time AR to help with indoor navigation
