

Don't Be the 68%: Find Your Class with Campus Compass

The Problem: Lost Time and High Stress

68%

of first-year students report getting **lost** or being **late** due to poor signage or **unclear directions** within the first month.

The Campus Compass Solution:

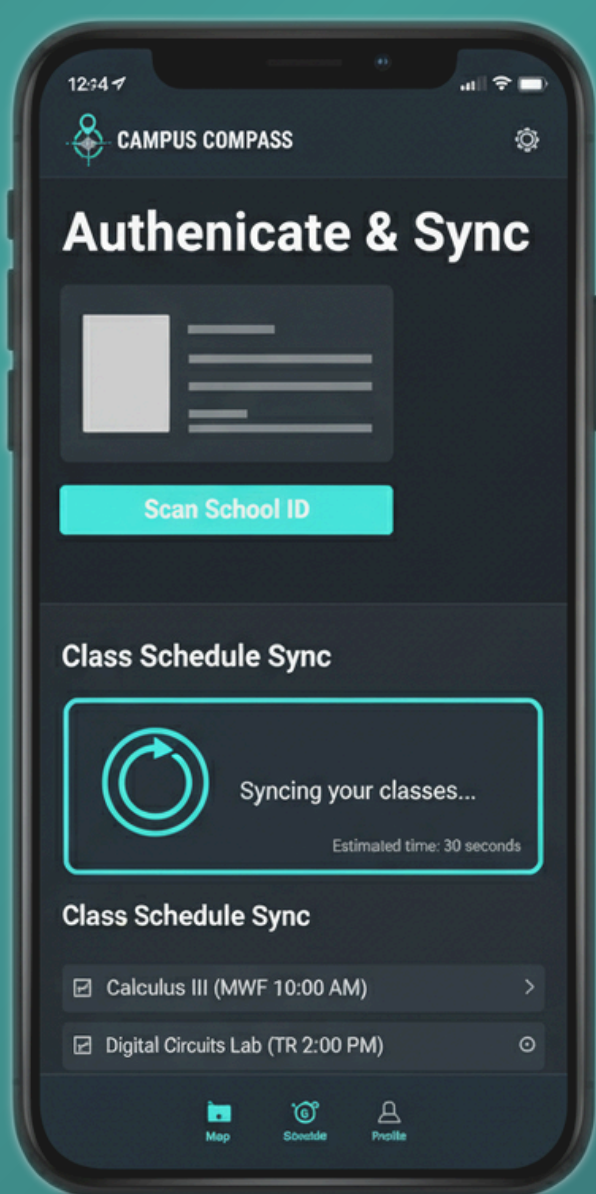

Indoor-Outdoor Mapping:

Get detailed directions both on campus grounds and inside buildings.

Unlike Google Maps,
Campus Compass doesn't stop at the door.

Augmented Reality Navigation:
With digital lines drawn right on the ground marking your path, it's nearly impossible to get lost.

Campus Integration:
You can safely and securely log in with your university ID to sync your schedule with Campus Compass.

The Advantage: Save Time, Reduce Stress, Avoid Absenteeism

Lateness Reduction

Show up to class on time from the beginning. Don't get caught in a bad cycle!

Reduce Early School Year Anxiety

A majority of students report feeling 'lost' in university, which can negatively affect their GPA and attendance. As chronic absenteeism continues to be an issue, let Campus Compass guide you toward

National Chronic Absenteeism Rates, 2017–24
