

FINANCIAL MANAGEMENT WITH THE SMARTBITE

SAY GOODBYE TO YOUR
FAMILIES FINANCIAL
CHALLENGES

DID YOU KNOW?

The average American spends an average of \$77,280 annually on necessities. Studies have found that younger people spend more time worrying about finances.

STUDIES HAVE FOUND THAT...

83%
of Americans
overspend

WHAT CAN YOU DO ABOUT THIS?

If 83% are overspending despite attempting to budget, what can you do to cut back on spending? Let the SmartBite track your finances for you.

HOW DOES SMARTBITE WORK?

The user sets a daily limit for how much they can spend
If this limit is reached the SmartBite will “bite” down on the user and prevent them from spending more

NOT ENOUGH FEATURES? TRY THE APP!

Need more money added to your account, or maybe you want to see how much you’ve saved? Just sign up for the SmartBite app for all this and more.
