The image features a close-up profile of a tiger's head and upper body. The tiger has distinct orange and black stripes. It is looking towards the right. The background is a soft-focus green foliage. Above the tiger, there is a large white rectangular area, likely a placeholder for another image or graphic.

The logo consists of a stylized orange and black tiger head facing right, with its mouth open as if roaring. To the right of the head, the word "FirstByte" is written in a bold, white, sans-serif font.

## WEEK 2

### Get Involved

Successful students get involved in the campus community. Go to a club meeting or social event this week!

# 3 Ways to Roar This Week:

## 1. Bookmark the FirstByte events calendar

Events specific to first-year students in the College of Computing, such as the Carnival and Donut Days, are posted to CampusGroups. Bookmark or download the calendar to Outlook, Google, or another .ics calendar to keep these events on your radar.
