

Meet Compu-Tor ☆

Our charismatic mascot is here to make your experience with the app and product as smooth and fun as possible.

Compu-Tor will always be working hard for you, and makes working computers fun and stress-free.

★ Tech Magic Made Easy

Tasks that may you may struggle to complete on computers, such as moving or modifying many files at once, installing new programs, accessing different websites and programs, cleaning up and organizing your files, and many more, are made free of hassle. Computer tasks that once were daunting and seemingly impossible are made hassle-free through Compu-Tor's magic.

Getting the Wize Wizard experience set up on your computer or phone is very straight forward. Simply plug in the Wize Wand USB-C stick into your device, and install the app on your computer to begin using Wize Wizard.

Easy Connection ☆

★ Personalize Your Experience

Customize how Wize Wizard works for you in the app's settings. Configure connections to family members, overview different Wize Wizard products under your account, manage sounds and other app experience factors, and more!

Continually Updated ☆

Compu-Tor is always expanding his knowledge and power to ensure that all users have the most up-to-date, smooth, and robust experience possible with our products. Over time, Compu-Tor will be able to do more, faster.
